Applicant appreciates the Notice of Allowability dated August 2, 2006, and the amendments made by the Examiner in connection therewith. Applicant has reviewed the prior art relative to allowed claim 1 and believes that such claim does not represent the scope of the potential claims obtainable. Accordingly, new claims 75-94 are presented herewith. Claims 91-94 are based on previously allowed claim 1. No new matter is presented and claims 75-94 fit within the currently elected species.

Applicant is also presenting herewith a complete substitute set of drawings that should overcome any outstanding drawing objections.

In view of the above amendments, it is believed that claims 75-94 are in condition for allowance. Passage of this case to allowance is earnestly solicited. However, if for any reason the Examiner should consider this application not to be in condition for allowance, the Examiner is respectfully requested to telephone the undersigned attorney at the number listed below prior to issuing a further Action.

Any fee due with this paper, not already paid through an EFS-Web filing, may be charged to Deposit Account No. 50-3894. Any overpayment may be credited to Deposit Account No. 50-3894.

Respectfully submitted,
